# TWISTED CUBES

DESIGN

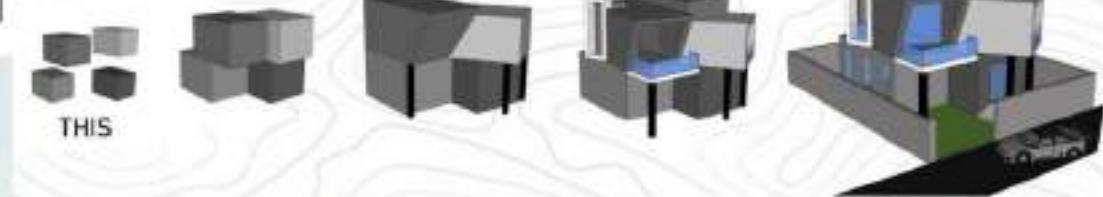

THE USE OF TWISTED CUBES FOR THE DESIGN OFFERS A MODERN AND DYNAMIC AESTHETIC. GIVEN THE SITE'S DIMENSIONS OF 30FT X 50FT, THE DESIGN COULD POTENTIALLY UTILIZE THE SPACE EFFECTIVELY WITH INNOVATIVE STACKING OR INTERLOCKING OF CUBES. THE TWISTED CUBE CONCEPT CAN CREATE INTERESTING VISUAL EFFECTS AND ALLOW FOR UNIQUE SPATIAL ARRANGEMENTS, BOTH INSIDE AND OUT. IT WOULD BE INTERESTING TO SEE HOW THE TWISTED CUBES INTERACT WITH NATURAL LIGHT AND THE SURROUNDING ENVIRONMENT.

# TRADITIONAL VILLA

DESIGN

THE CONCEPT OF CHESS IS IMPLEMENTED IN THIS DESIGN. IN THIS DESIGN THE STONE PILLARS REPRESENT THE SOLDIERS AND THE WHOLE DESIGN GIVES THE MAJESTIC TERRITORY.

NATURE PLAYS AN IMPORTANT ROLE IN THIS DESIGN. ROOMS ARE DESIGNED AS PER THE KING'S FAMILY. ROYAL TOUCH WITH VERNACULAR ARCHITECTURE IS EXPERIENCED IN THIS DESIGN.

EACH STONES ARE SELECTIVELY CHOSEN AND HANDCRAFTED AS PER THE DESIGN. VERNACULAR & CLIMATE RESPONSIBLE ARCHITECTURE WAS THE MAIN FOCUS OF THE DESIGN.

EACH TREES HAVE THEIR OWN PATTERNS AND ENVIRONMENTAL BENEFITS BOTH FOR BUILDING AND PEOPLE.  
AND IT'S OUR CHECKMATE.

SITE PLAN

FRONT ENTRANCE

SIDE VIEW

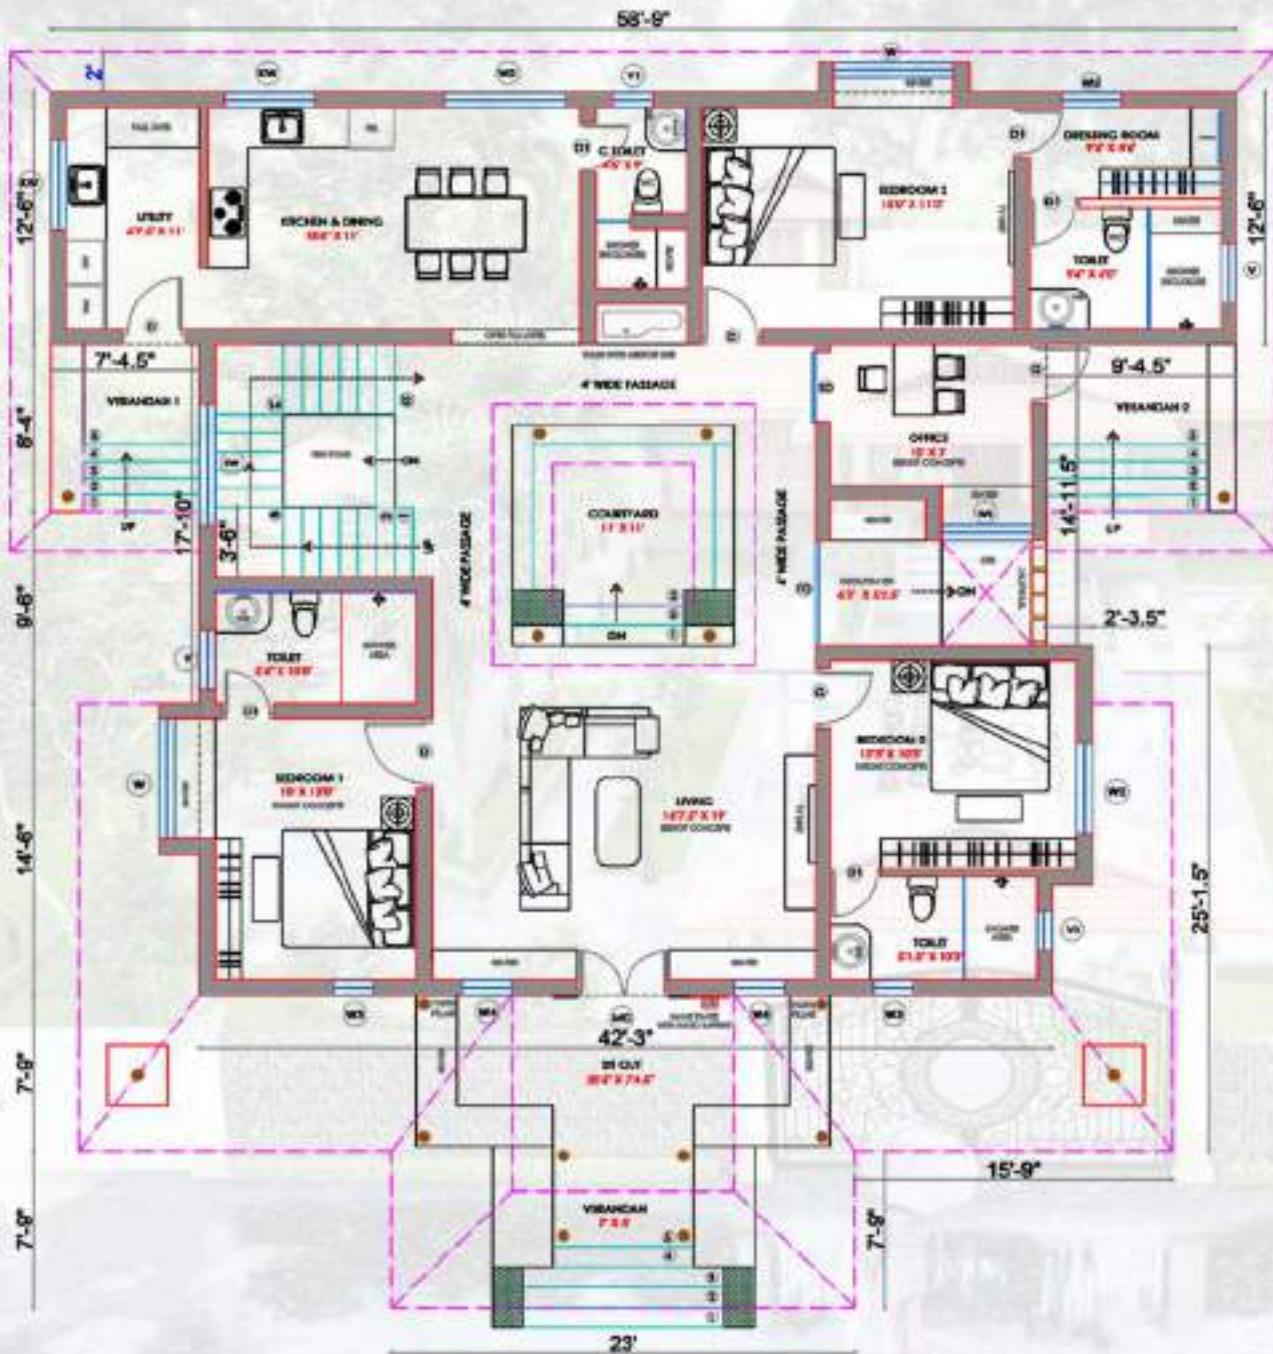

- EXPOSED WIRECUT BRICKS
- ATHANKUDI TILES (HANDMADE TRADITIONAL TILE)
- STONE PILLERS ( FROM KARAIKUDI )
- JALLY BRICK
- ROOFING TILES

## MATERIALS

BITOUT VIEW

PLACING JALI BRICKS IN THE WEST DIRECTION ALLOWS SUNLIGHT TO ENTER THE BUILDING IN A CROSS PATTERN, ENHANCING THE SPACE'S BEAUTY AS THE SUNLIGHT SHIFTS THROUGHOUT THE EVENING.

# RAJAS VILLA

THE DESIGN OF THE VILLA INCORPORATES CONTEMPORARY ARCHITECTURE PRINCIPLES WITH A FOCUS ON CONNECTING SPACES FOR A JOINT FAMILY. CANTILEVER SLABS SERVE AS KEY VISUAL ELEMENTS, EMPHASIZING THE MODERN AESTHETIC. ADDITIONALLY, THE VILLA FEATURES A UNIQUE DETAIL: THE NUMBER OF STEPS REFLECTS THE NUMBER OF FAMILY MEMBERS, EACH STEP ENGRAVED WITH A NAME, PERSONALIZING THE SPACE AND HIGHLIGHTING THE IMPORTANCE OF FAMILY UNITY.

**INTRODUCTION**

**WHY ISKCON ?**

- ISKCON is based on Hindu tradition. Particularly Bhagavad Gita and the Bhagavata Purana, and the Gaudiya Vaishnava tradition has had influence on India since the last 1000 years.
- In the present, ISKCON has now spread across the entire globe.
- This community is unique because
  - They follow the strict principles of God in the devotees across globe.
  - They make life better in daily basis through their spiritual activities.
  - They organize the devotees across the globe.

The ARCHITECTURE here is specifically designed to work well with the people. Devotees need to stay longer. They can do their spiritual activities here. There is a lot of open space and green spaces that lead to better health. The concept of trees from Gaudiya tradition (Gaudiya Vaishnava) is also followed.

# MODERN VILLA

THE BUILDING'S FRONT FAÇADE FEATURES EXTENSIVE USE OF GLASS, MAKING IT STAND OUT UNIQUELY. SURROUNDED BY NATURE, IT OFFERS STUNNING VIEWS FROM WITHIN. THE DESIGN BLENDS LUXURY WITH MODERN ARCHITECTURAL STYLES.
